The Alterna Do It For Dad! run for cancer set a fundraising record Sunday, with more than 1,760 participants running or walking the Colonel By Drive route to raise more than \$354,672. 'We are thrilled with the results of today's event,' said Linda Eagen, president and CEO of the Ottawa Regional Cancer Foundation. 'Thanks to the generosity of those walking, running and donating to the cause, we are going to make a difference in the fight against men's cancers.' Meanwhile, CHEO Dream Team Kid Stephanie Fawcett, left, gave Noah Grignon a ride on her chair, pushed by Shelly Fawcett, as they crossed the finish line in the 7th annual Scotiabank Walk, Roll & Run for Roger's House at Scotiabank Place. The Sens Foundation raised \$183,653.
